How to stop internal theft

As shocking as it sounds, 75% of employees have admitted to stealing at least once from their employer.

In the bar and restaurant industry alone, employee theft totals between \$3 and \$6 billion dollars annually. So what can you do to stop internal theft and keep those profits in your club?

Our Special Focus on internal theft prevention will highlight the products available to help lessen this threat.

Featuring:

- Video surveillance
- Liquor pour control
- Inventory products
- POS systems
