Chains

What they have to offer your club!

NOVEMBER ISSUE:
Deadline October 1

There are more adult nightclub chains than ever in the industry, offering individual club owners unique franchising and branding opportunities. In this issue we analyze the pros and cons of becoming part of a club chain, and also give a breakdown of the different chains; their current roster of clubs and plans for expansion; and information on who you can contact at each chain for more details on what they are looking for and what they offer.
